

Alternative Provision for Arriva Services and Journeys Withdrawn from Sunday 9 July 2023

Tees Valley Combined Authority (TVCA) and its five constituent Local Authorities were in discussions with local bus operators to seek mitigations against Arriva's service changes from Sunday 9 July 2023. A review of all the changes was undertaken and interventions have been implemented on various services across the Tees Valley.

A number of services therefore continued from Sunday 9 July. Due to circumstances outside the control of the Combined Authority and Local Authorities – such as driver and vehicle capacity being unable to accommodate these changes at short notice – further services did not recommence until Sunday 3 September 2023.

Interventions from Sunday 9 July 2023:

Service 12 (Hurworth – Darlington – Teesside Airport)

Service 12 operated to a broadly similar timetable from Sunday 9 July until Sunday 3 September 2023. This was operated by Arriva. NEW service 6/6A, operated by Stagecoach and extending to Yarm, Ingleby Barwick and Stockton, will provide a full replacement service from Thursday 21 September 2023. A temporary [Stagecoach service 6/6A](#) timetable will operate between Hurworth, Darlington and Teesside Airport from Wednesday 6 September until Wednesday 20 September 2023.
